The authors regret that due to their neglect when doing the picture layout of Fig. 5c, the wrong image was pasted for the “pCDNA3.1-NCI-H520-ANXA5-2” in the original paper, causing a duplicate with image “pCDNA3.1-NCI-H520-ANXA5-1”. The image has been corrected. The related statistics results based on Fig. 5c, as

shown in the Fig. 5d, also have been updated. However, the conclusions of the original article (<https://doi.org/10.1007/s11434-014-0301-y>) are not affected.

The authors would like to apologise for any inconvenience caused.
